Good T.A

Eric has been a great help in aiding with questions that arose, with regards to our group project.

A large part of our mark depended on this tutorial (project was assigned in it). Attendance at all tutorials was not mandatory which is how a tutorial is supposed to be. Eric was dedicated to helping us succeed in this course and was always available for assistance.

ERIC ROCKS!! He's an awesome tutorial leader and very helpful and understanding. He has good communication with the prof so we are always sure that we are learning constructive materials in the tutorial. It is great!

Eric is extremely approachable, and truly enjoys teaching. He becomes more than just a teacher, he is a true tutorial leader!!!
